

While My Heart Is Still Beating (Abakus Remix)

Roxy Music

All of those people
Everywhere
Ever so needing
Where's it all leading
Tell me where Nothing insincere
I'd better have pity
I'd better go easy
I never will lay down
While my heart is still beating
Where's it all leading Walk on air
Am I still dreaming
Words to spare
Lost in their meaning
I'd better be strong now
I'd better stop dreaming
My heart has flown away now
Will it never stop bleeding?
