

Don't Wake Me Up

Tyga

(Dream on, dream on, dream on)

Live your life as you please

(So long, so long, so long)

To all the critics and the enemies

My sky has turned vanilla

Like sugar sasparella

And if only you were nearer

I'd say

Don't wake me up

Baby, I'm in love

And I'm dreaming so much

But I don't ever wanna stop

Don't wake me up

Don't wake me up

I don't wanna stop

Don't wake me up

(Give up, give up, give up)

Time to wipe your soul clean

(Someone to love, to love, to love)

Hair like fire, sunset tangerine

The nights are getting colder

Not getting any older

The chip fell off my shoulder

I won't age a day and you'll all be

Gray and over eighty, baby

Don't wake me up

Baby, I'm in love

And I'm dreaming so much

But I don't ever wanna stop

Don't wake me up

Don't wake me up

I don't wanna stop

Don't wake me up

Oh yeah

Don't wake me up

Baby, I'm in love

C'mon

Don't wake me up

Baby, I'm in love

And I'm dreaming so much
But I don't ever wanna stop, no
Don't wake me up
Don't wake me up
I don't wanna stop
Don't wake me up
Don't wake me up
Don't wake me up
Don't wake me up
