Trust

Meshell Ndegeocello

Put your tongue
In my mouth
Make me wet
Run your hands
Down my back
Grab my ass
Lay me down
Spread my legs
Mmm, tell me
What's it like
Inside me
Mmm
Inside me
Oh yeah
Inside meYou're so hard
Mmm, so warm baby
So deep
Deep
Let me hold you closer
Baby
I won't let go
Let me stroke you with my warmth
Make you comeInside me
Inside me
My hands feel good
Inside me
Can't you feel
So deep
Yeah yeah
So deep
Ooh ooh yeah
