Anything Goes

Dakota Staton

In olden days a glimpse of stocking
Was looked on as something shocking
But now God knows
Anything goes

Good authors to
Who once knew better words
Now only use four letter words
Writing prose
Anything goes

If driving fast cars you like
If low bars you like
If old hymns you like
If bare limbs you like
If Mae West you like
Or me undressed you like
Why nobody will oppose

When every night
The set that's smart
Is intruding on nudist parties
In studios
Anything goes

When Mrs. Ned McClean God bless her
Can get Russian reds to yes her
Than I suppose
Anything goes

When Rockafeller still can hoard
Enough money to let Max Gordon
Produce his shows
Anything goes

The world has gone mad today
And good's bad today
And black's white today
And days night today
And that gent today

You gave a cent today
Once owned several chateaux

When folks
Who still can ride in Jitney's
Find out Vanderbilts and Whitney's
Lack baby clo'es
Anything goes
