Infinity (Flufftronix Remix)

The xx

After all the time
After you
Had you seen me with someone new
Hanging so high for your return
But the stillness is a burnHad I seen it in your eyes
There'd have been no try after try
Your leaving had no goodbye
Had I just seen one in your eyesI can't give it up
To someone else's touch
Because I care too muchI can't give it up
To someone else's touch
Because I care too muchCould you tell
I was left lost and lonely
Could you tell
Things ain't worked out my wayWish the best for you
Wish the best for me
Wished for infinity
If that ain't meGive it up
I can't give it upGive it up
I can't give it upI can't give it up
To someone else's touch
Because I care too muchI can't give it up
To someone else's touch
Because I care too muchGive it up, I can't give it up
