

Guera

Mc Magic

(Intro)

You know they say that life
is not fair

But i've also heard
that everybody makes their
own destiny

I guess that's why God
gave everybody freewill
so many choices

that we all have to make
in this life

and I know we don't spend
a whole lot of time on this earth
but I do know

that every day that passes
is a day gone forever
and is never coming back

but love

that's a whole different thing
sometimes we get attached
and no matter how hard we try

we just can't seem to get away (chorus)

I would give you my soul
forget the lies that they tell you
I never want to let you go

(never, ever, ever)

Said I would give you my soul
Forget the lies that they tell you

I never want to let you go

(uh yea c'mon c'mon) Her name is Guera

Only 14

with problems at home
the only person that she trusts
is the man that she loves
he tells her beautiful things
and kisses her so right
she runs away to live
with him and his family
then come the fights

to make things worst
shes got that morning sickness thing
Oh damn nobody planned it
but the baby is on the way
he starts to yell
get abusive
Guera, how can you do these things
this baby is just goin kill
my box and dreams
he wants abortion
she refuses
but they still live together
until she gets arrested
put away in september
now pregnant in jail
and loosing her mind
cuz he dont care
he dont visit
he won't even write(chorus)
I would give you my soul(But she still loves him)
forget the lies that they tell you
I never want to let you go
(she never want to let you go)
Said I would give you my soul
Forget the lies that they tell you
I never want to let you go
(she never want to let you go, no she never wants to let you go)Takes the pen
to the paper
writing down what she feels
love,hate, and desperation
like words that can kill
close my eyes
and I pray
please change her ways
how many times did I cry
I see you in my baby's eyes
I'll do more that you've
ever ever done
but now it's all for her
cuz now she's number one
you were sick
I was there
when I was down
you didn't care
you said all I do is yell

but if i don't you wont hear
you always had your way
even throught this everyday
but the love you threw away
would cost you big one day

I'm trapped in love

with someone who won't even look at me

so I'm begging to the lord
God help me please(chorus)

I would give you my soul
forget the lies that they tell you

I never want to let you go
said I would give you my soul
forget the lies that they tell you

I never want to let you go

(She never wants to let you go, she never wants to let you go)(My name is Samantha A.K.A Guera and this is
the true story of my life)
