

# Eyes Peeled

## METZ

I'm not in love with who I am  
Just barely holding on to anything I can  
Doesn't even matter if it's real  
I'm sick of feeling sick  
I've got my eyes peeledDon't look now  
It's not in your headThere's something rotten blowing in the wind  
It won't stop seeping through the cracks  
Does it make a difference what's next to come?  
Is it a better living?  
Are you having fun?Don't look now  
It's not in your headIt's not in your head(x3)Don't look now  
It's not in your headIt's not in your head(x3)
