Flashing Lights (feat. Sub Focus & Takura)

Chase & Status

Even if I told you it's like I see my whole life
Even if I told you I know you won't believe
It's like I see my whole life flashing light before me
So even if I told you it's like I see my whole lifeFlashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing lightFlashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing lightFlashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing lightEven if I told you I know you won't believe
It's like I see my whole life flashing light before me
So even if I told you I know you won't believe
It's like I see my whole life flashing light before meIt's like I see my whole lifeIt's like I see my whole lifeSo even if I told you
It's like I see my whole life flashing lightFlashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing lightFlashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Before me
(Me)So even if I told you
It's like I see my whole lifeIt's like I see my
Flashing light, flashing lightFlashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing light, flashing light, flashing light
Flashing
