When I Fall In Love

Donny Osmond

When I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it?s begun
And too many moonlight kisses
Seem to cool in the warmth of the sun
When I give my heart it will be completely
Or I?ll never give my heart
And the moment I can feel that you feel that way too
Then I?d fall in love with you
And the moment I can feel that you feel that way too
Is when I fall in love, when I fall in love
When I fall in love with you
Yeah, yeah
When I fall in love with you
