Inspiration

David Lee Murphy

I feel like I'm standin' on a mountaintop
Baby when I hold your hand
Well that's where I am
This feelin' rises up inside of me
Oh it's like a gentle wind
Breathin' life into me again
Whatever I thought I ever wanted before
When I look in your eyes
You make me believe that
There's just so much more
Baby you're my inspiration
You lift me to a higher place
You're the one sweet dream
I can keep my faith in
You're the light that shines in me
My hopes my destiny
Oh you'll always be
My inspiration
Sometimes when I look at you
Thoughts start fillin' my head
It's like a melody that comes along
And I'm singin' it all day long
Just seein' you smile brings out the best in me

When I've gone as far as I can go
You stir something down deep in my soul
Nothin' else on earth can make me feel like you
Oh with you in my life I gotta reason
For everything that I do
Baby you're my inspiration
You lift me to a higher place
You're the one sweet dream
I can keep my faith in
You're the light that shines in me
My hopes my destiny
Oh you'll always be
My inspiration
Baby you're my inspiration
You lift me to a higher place

You're the one sweet dream
I can keep my faith in
You're the light that shines in me
My hopes my destiny
Oh you'll always be
My inspiration
