

# Now Is the Hour

## Annette Funicello

Now is the hour when we must say, goodbye

Soon you'll be sailing, far across the sea

While you're away, Oh, then remember me

When you return, you'll find me waiting, here

Now is the hour when we must say, goodbye

Soon you'll be sailing, far across the sea

While you're away, Oh, then remember me

When you return, you'll find me waiting, here
