

# Metal (Re-Mix)

## Marilyn Manson

I got my lunch box and I'm armed real well I wanna go down

I wanna go down

Go down

I wanna go down

I wanna go down

Go down

Go down The big bully try to stick his finger in my chest

Try to tell me, tell me he's the best

But I don't really give a good goddamn 'cause Got my lunch box and I'm armed real well

Got my lunch box and I'm armed real well

Got my lunch box and I'm armed real well

Got my lunch box and I'm armed real well

I got my lunch box and I'm armed real well So no one fucks with me I got the pencils in my pocket, try to put me  
down

Wanna go out, gotta get out to the playground

Gonna throw down at the playground I wanna go out Next motherfucker gonna get my metal

Next motherfucker gonna get my metal

Next motherfucker gonna get my metal

Next motherfucker Pow pow pow, pow pow pow

Pow pow pow, pow pow pow I wanna go down I wanna go down

I wanna go down

Go down

I wanna go down

I wanna go down

Go down yeah Well I wanna grow up

I wanna be a big rock and roll star

Well I wanna grow up I wanna be

So no one fucks with me I wanna grow up

I wanna be a big rock and roll star

I wanna grow up I wanna be

So no one fucks with me
