

Gloomy Sky

Trey Anastasio

Well, the rains keeps falling from a gloomy sky

Well, the rains keeps falling from a gloomy sky

From a gloomy skyWell, the rains keeps falling from a gloomy sky

Well, the rains keeps falling from a gloomy sky

From a gloomy skyDon't know why I do the things I do but I love you

Don't know why I do the things I do but I love youWell, the rains keeps falling from a gloomy sky

Well, the rains keeps falling from a gloomy sky

From a gloomy sky
