

Mountain And The Sea

Ingrid Michaelson

You call me a mountain
And I call you the sea
I'll stand tall and certain
And watch you swallow me
You can move me if you want to
You can move a mountain
You can move a mountain
You can move me if you want to
You can move everything
You can move everything
I will grow my own trees
While you follow the moon
I feel you in my knees
Say you'll come in soon
You can move me if you want to
You can move a mountain
You can move a mountain
You can move me if you want to
You can move everything
You can move everything
Then one day you'll go away but I will too
Until then, oh, my darling friend, well, I will hold
Yes, I will hold, yes, I will hold
Yes, I will hold on to you
You can move me if you want to
You can move a mountain
You can move a mountain
You can move me if you want to
You can move everything
You can move everything
You can move me if you want to
You can move a mountain
You can move a mountain
You can move me if you want to
You can move everything
You can move everything
You can move everything
You can move everything
You can move everything

You can move everything
You can move everything
