

Crazy Love

Brian Kennedy

I can hear her heartbeat from a thousand miles
Yeah and the heavens open every time she smiles
And when I come to her that's where I belong
Yeah and I'm running to her like a river song
She give me love, love, love, love
Crazy love

She give me love, love, love, love
Crazy love
She's got a fine sense of humour when I'm feeling low down
Yeah I'm coming to her when the sun goes down
Take away my trouble, take away my grief
Take away my heartache in the night like a thief
She give me love, love, love, love
Crazy love

She give me love, love, love, love
Crazy love
And I need her in the daytime
Yeah and I need her in the night

And I want to throw my arms around her and kiss and hug, kiss and hug her tight
Now when I 'm returning from
so far away

She give me some sweet loving - brighten up my day
And it made me righteous and it made me whole
And it made me mellow right down to my soul
She give me love, love, love, love
Crazy love

She give me love, love, love, love
Crazy love

She give me love, love, love, love,

You know she give me, she give me crazy love
