

The Little Christmas Tree

[Nat King Cole](#)

Little Christmas Tree
No one to buy you, give yourself to me
You're worth your weight in precious gold, you see
My little Christmas tree Promise you will be
Nobody else's little Christmas tree
I'll make you sparkle, just you wait and see
My little Christmas tree I'll put some tinsel in your hair
And you'll find that there's a strange new change
That you have never seen
I'll bring my boy a toy
He'll jump for joy
To see his bright new queen With me you will go far
I'll show Saint Nick the tree you really are
And there'll be peace on Earth when Daddy lights your star
My little Christmas tree With me you will go far
I'll show Saint Nick the tree you really are
And there'll be peace on Earth when Daddy lights your star
My little Christmas tree You're big enough for three
My little Christmas tree
