Pretty Love Songs

Perry Blake

Pretty Love SongsSing a pretty love song
Sing it straight from your heart
'Cause these pretty love songs
They're what keep us aliveAnd we know they lie
But we'll always try toSing pretty love songs
Sing them straight from the heart
'Cause these pretty love songs
They're what keep us aliveYes we know they lie
But everyone likes that
Ba ba ba ba ba
Ba ba ba ba ba baDon't speak of the truth
Just make an excuse'Cause these pretty love songs
They're what keep us aliveYes we know they're shit
But we like the hitsSo sing a pretty love song
Sing it straight from your heart'Cause these pretty love songs
They're what keep us aliveThey're what keep us alive
