

Cupid (Maxey & Fred Spider Edit) - 9B

[Sam Cooke](#)

Cupid draw back your bow
And let your arrow go
Straight to my lover's heart for me, for meCupid please hear my cry
And let your arrow fly
Straight to my lover's heart for meNow I don't mean to bother you but I'm in distress
There's danger of me losing all of my happiness
For I love a girl who doesn't know I exist
And this you can fixSo, cupid draw back your bow
And let your arrow go
Straight to my lover's heart for me
Nobody but meCupid please hear my cry
And let your arrow fly
Straight to my lover's heart for meNow, cupid if your arrow make a love storm for me
I promise I will lover her until eternity
I know between the two of us her heart we can steal
Help me if you willSo, cupid draw back your bow
And let your arrow go
Straight to my lover's heart for me
Nobody but meCupid please hear my cry
And let your arrow fly
Straight to my lover's heart for meNow, cupid, don't you hear me
Calling you, I need ya
Cupid help me, I need ya
Cupid, don't fail me
