Set In Motion

Pomegranate

Set in motion
Color all ahead and behind
Can't catch ourselves this time
Can't catch ourselves

Set in motion
Finding its own momentum
Finding its own momentum
Can't catch ourselves
Can't catch ourselves this time
Can't catch ourselves

Empty me out
Empty me out

Set in motion
Color all ahead and behind
Can't catch ourselves this time
Can't catch ourselves
Can't catch ourselves

Empty me out
Empty me out
