## **Imagine Me Without You**

## **Jaci Velasquez**

As long as stars shine down from Heaven

And the rivers run into the sea

Till the end of time, forever

You're the only love I'll needIn my mind You're all that matters

In my eyes the only truth I see

When my hopes and dreams have shattered

You're the one that's there for meWhen I found You I was blessed

And I will never leave You, I need YouImagine me without You

I'd be lost and so confused

I wouldn't last a day

I'd be afraid without You there to see me throughImagine me without You

Lord, You know it's just impossible

Because of You, it's all brand new

My life is now worth while

I can't imagine me without YouWhen You caught me I was falling

Your love lifted me back on my feet

It was like You heard my calling

And You rushed to set me freeWhen I found You I was blessed

And I will never leave You, I need YouImagine me without You

I'd be lost and so confused

I wouldn't last a day

I'd be afraid without You there to see me through Imagine me without You

Lord, You know it's just impossible

Because of You, it's all brand new

My life is now worth while

I can't imagine me without YouWhen I found You I was blessed

And I will never leave You, I need YouImagine me without You

I'd be lost and so confused

I wouldn't last a day

I'd be afraid without You there to see me throughImagine me without You

Lord, You know it's just impossible

Because of You, it's all brand new

My life is now worth while

I can't imagine me, I can't imagine me without You
