

# Down the Trail of Achin' Hearts

[Hank Snow](#)

Down the trail of achin' hearts where nobody's hidin' their tears  
You sent me there where sadness starts down the trail of achin' hearts You told me I was your darling you kept  
me hanging around

Somebody else is your darling now lonesome and blue I'll be found

Down the trail...

[ guitar ]

Once I was passing your window under the light of a star  
Somebody else played my love song and played it on my old guitar

Down the trail...
