# Tomorrow In Her Eyes

## Andrea Corr

I see tomorrow in her eyes
And where my future lies
So I don't need a crystal ball
At all because I've seen tomorrow
In her eyes
Whenever life tears us away
I'll hold on to the words we say
And if I have to wait awhile
Then I'll be dreaming of tomorrow
And her smile
Someday soon love
Someday soon love
There'll be time for you and I love
And time shall hold no sad surprise
More hellos than goodbyes
So I don't need my fortune told
I know because I've seen tomorrow
In her eyes
No, I don't need a crystal ball
At all because I've seen tomorrow
In her eyes
