

# Leader

## Bif Naked

Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leaderGet offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leaderWhat's wrong with you?  
I wash the dishes  
Walk to the post office  
I get some juice in my mouthI spit it out  
I spit it out  
I spit it out  
I spit it all over my clean shirt  
It says "Vail"Well, I'm not yours or anyone's  
I don't even own myself  
I know you always watch me  
I just wanna be by myselfGet offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leaderGet offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leaderYou don't know me  
So don't touch me  
I'm not here to validate your behaviorYou need to stop  
You need to stop  
You need to stop talking so fastI'm not interested  
In anything you have to say  
I wish you would  
Crawl back up to the barTell it to your drink  
Tell it to your drink

Tell her who you are  
Don't tell me  
Don't talk to me  
I want you to shut your mouth  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leader  
I cannot be your leader  
I cannot be your leader  
Stop lookin' at me  
Stop lookin' at me  
Stop lookin' at me  
I brush my teeth  
Stop looking at me  
I park my car  
Stop looking at me  
Get on the train  
Stop looking at me  
I turn around  
You stop looking at me  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leader  
Get offa me  
Away from me  
Got me outa here

Let go of me  
Don't bother me  
I'm no leaderGet offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leaderDon't wanna be your leader  
Don't wanna be your leader  
Don't wanna be your leader
