

# The Story So Far (acoustic)

## New Found Glory

I can't remember the time or place  
Or what you were wearing  
It's unclear about how we met  
All I know is it was the best conversation that I've ever had  
To this day I've never found someone  
With eyes as wide as yours  
I've been searching up and down this coast  
Overlooking what I need the most  
Did you notice I was afraid?  
I thought I'd run out of things to say  
Two more hours until today  
Burns this away  
And it starts all over again [Chorus]  
The sky will never look the same again  
Til you show me how it could be  
The sky will never look the same again  
Til you show me how it could be  
And everything is irrelevant  
To the story so far  
A coincidence that you looked like her from afar  
Is it true that you like to sleep alone?  
Or is it what you just tell everyone?  
Did you notice I was afraid?  
I thought I'd run out of things to say  
Two more hours until today  
Burns this away  
And it starts all over again [Chorus] (Ahhhh, ahhh...)  
Until you show me how it could be  
(Ahhhh, ahhh...)  
Until you show me how it could be  
And when the world turns over  
I'll keep my ears to the wall  
And when the world turns over  
I'll keep my feet straight on the ground  
Did you notice I was afraid?  
I thought I'd run out of things to say  
Two more hours until today  
Burns this away  
And it starts all over again [Chorus] (Ahhhh, ahhh...)  
Until you show me how it could be  
(Ahhhh, ahhh...)  
Until you show me how it could be
