Oh, it's so pretty, It's a junkie hell,
All this sin is happen in this city.
How did they build it, all the building
It could survive, all in a sec,
And I wonder if I'll do it,
Come back and find you home.We're coming down!

I know what you mean, I just landed at home,
I don't know where I'm headin' or where I'm gonna go,
The roads all lead somewhere new, but they're still so slow...
