Sugar Walls

Sheena Easton

My sugar walls
My sugar wallsWhere I come from there's a place called Heaven
That's the place where all the good children go
The houses are of silver, the streets of gold
But there's more where you come from my sugar wallsMy sugar walls
My sugar wallsBlood races to your private spots
Let me know there's a fire
You can't fight passion when passion is hot
Temperatures rise inside my sugar wallsLet me take you somewhere, you've never been
I could show you things you've never seen
Well, I could make you never wanna fall in love again
Come spend the night inside my sugar wallsTake advantage
It's alrightI feel so alive when I'm with you
Come and feel my presence
It's reigning tonight
Heaven on Earth inside my sugar wallsLet me take you somewhere, you've never been
Well, I could show you things you've never seen
Well, I could make you never wanna fall in love again
Come spend the night inside my sugar wallsI can tell you want me
It's impossible to hide
Your body's on fire
Admit it come insideMy sugar walls
My sugar walls
Come inside
My sugar walls
My sugar wallsMy sugar walls
Come spend the night inside
My sugar wallsMy sugar walls
My sugar walls
