

# Sugar Walls

[Sheena Easton](#)

My sugar walls  
My sugar walls Where I come from there's a place called Heaven  
That's the place where all the good children go  
The houses are of silver, the streets of gold  
But there's more where you come from my sugar walls My sugar walls  
My sugar walls Blood races to your private spots  
Let me know there's a fire  
You can't fight passion when passion is hot  
Temperatures rise inside my sugar walls Let me take you somewhere, you've never been  
I could show you things you've never seen  
Well, I could make you never wanna fall in love again  
Come spend the night inside my sugar walls Take advantage  
It's alright I feel so alive when I'm with you  
Come and feel my presence  
It's reigning tonight  
Heaven on Earth inside my sugar walls Let me take you somewhere, you've never been  
Well, I could show you things you've never seen  
Well, I could make you never wanna fall in love again  
Come spend the night inside my sugar walls I can tell you want me  
It's impossible to hide  
Your body's on fire  
Admit it come inside My sugar walls  
My sugar walls  
Come inside  
My sugar walls  
My sugar walls My sugar walls  
Come spend the night inside  
My sugar walls My sugar walls  
My sugar walls
