You Make Me Feel-KylaI can't believe I'm In love with you
that someone like you is in love with me
know what has made me feel this way
you changed my world the day you cameinto my life
boy i wrote this song
and just to let you know
I gave you everything my love my soul
from head to toe
im gonna be really sad
if you ever leave my side
I hate it when you have to go
and make me say likeyou make me feel
love love love love love love
you make me feel so so good good baby
you make me feel beautiful beautiful baby
you make me feelHeaven be
when you kiss me baby
even in the morning
when im "bagong rising" ---ahah whew
oh my make up gone with my house clothes on
looking like a bum
You still think I'm
beautifulboy i wrote this song
and just to let you know
gave you everything my love my soul
from head to toe
i'll gonna be really sad
if you ever leave my side
I hate it when you have to go
and plain you say goodbyeyou make me feel so
special special baby
you make me feel like I can do anything boy
you make me feel wonderful wonderful baby
you make me feelI found love
so real I will be true to you yeah yeah
My love is only for you
there's nothing that I won't do
to change
what we have baby I'm your lady

in the good and the bad
happy or sadtogether we'll grow
from now till we're old
ohhhyou make me feel

you make me feel so so good good baby
you make me feel so beautiful beautiful
you make me feelI can do anything baby

when im with you baby
