Traveller

Chris Stapleton

I see the sunrise creeping in
Everything changes like the desert wind
Here she comes and then she's gone againI'm just a traveler on this earth
Sure as my heart's behind the pocket of my shirt
I'll just keep rolling till I'm in the dirt
'Cause I'm a traveler, oh, I'm a traveler
I couldn't tell you honey, I don't know
Where I'm going but I've got to go
'Cause every turn reveals some other road
And I'm a traveler, oh, I'm a travelerMy heartbeat's rhythm is a lonesome sound
Just like the rubber turning on the ground
Always lost and nowhere bound
I'm just a traveler on this earth
Sure as my heart's behind the pocket of my shirt
I'll just keep rolling till I'm in the dirt
'Cause I'm a traveler, oh, I'm a traveler
I couldn't tell you honey, I don't know
Where I'm going but I've got to go
'Cause every turn reveals some other road
And I'm a traveler, oh, I'm a travelerWhen I'm gone
Somebody else will have to feel this wrong
Somebody else will have to sing this song
Somebody else will have to sing along
Sing alongI'm just a traveler on this earth
Sure as my heart's behind the pocket of my shirt
I'll just keep rolling till I'm in the dirt
'Cause I'm a traveler, oh, I'm a traveler
I couldn't tell you honey, I don't know
Where I'm going but I've got to go
'Cause every turn reveals some other road
And I'm a traveller, oh, I'm a traveller
