We Belong In This World Together

Stereo MC's

Inside you are hollow
Inside you are hollow
InsideWe belong in this world together
What's going on?
We belong in this world together
What's going on?
What's going on?Gotta check myself
My own back yard
My calling card
Don't take it hard
If you fall
You'll be wiser
After all
What's the use
Without Invention
In your mind
Come on down
Treat me as your kind
I'm a face
In the human race
Good for nothing
A hopeless case
There ain't no time
Ain't no space
Ain't no place
For us to go
Face to face
We'll trace our step
Side to side
From east to west
The feeling strong
I'm feeling strong
What's going on?
What's going on?What's going on?
We belong in this world together
Don't we belong?Staple make the diet
Mental attitude
Staple make the diet
And my mental attitude

Staple make my diet
And my mental attitude
Don't we belong?We belong in this world together
We belong in this world together
We belong in this world together
We belong in this world togetherWe belong in this world together
What's going on?
