Aries the Ram

Arab Strap

When we were last here, we named our offspring
No we never even done it, we never really did anythingWe shared a birthday so we shared ado
And they kept my clothes when I was upstairs with youI did the sheet trick, you did a yawn
So I went out with the boys stealing the milk at dawnI was a virgin and you were on holiday
I'd had seven glasses when she asked me to staySo I let the wine decide what I should do
At least I was careful, I remember it was blue
