

Dream A Little Dream Of Me

The Mamas & the Papas

You keep pouring into one glass
And you're never changing the straw
And now to sing this lovely ballad
Here is Mama CassStars shining bright above you
Night breezes seem to whisper, "I love you"
Birds singing in the sycamore tree
Dream a little dream of meSay nighty night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of meStars fading but I linger on, dear
Still craving your kiss
I'm longing to linger 'til dawn, dear
Just saying thisSweet dreams 'til sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams, whatever they be
Dream a little dream of meStars fading but I linger on, dear
Still craving your kiss
I'm longing to linger 'til dawn, dear
Just saying thisSweet dreams 'til sunbeams find you
Sweet dreams that leave all worries far behind you
But in your dreams, whatever they be
Dream a little dream of me
