

Scared Are You?

Better Than Ezra

Strong hands
Big plans
All reduced to this
Hard won freedom
How could you have missed?

Scared, are you?
You do it on your own
You do it all alone
We all did
Scared, are you?
Half the lines we make up dear
The best that you can do

Everything you would be
Passed you like a ghost
And kind words are scarce at best
When you need them most

Scared, are you?
You do it on your own
We all did
Scared, are you?
Half the lines you make up here
The best that we can do

Hope bring you luck
Doors open up
And if you should fall
I'll catch you dear
It must be!
It must be!

Scared, are you?
Finally on your own
You do it all alone
We all did
Scared, are you?
Half the lines you make up dear
The best that we can do

And we do
