Right Outta My Head

Paul Kelly

Im gonna fuck her right outta my head
Im gonna jump from bed to bed
Sally, Sonia, Sophie, Sue
I ain't met 'em all yet but Im planning to
Im gonna fuck her right outta my headIm gonna lay down a new set of memories
With Tanya's and Julie's, Linda's and Emilie's
The way we moved in the mirror on the wall
I wont remember that at all
Im gonna lay down a new set of memoriesAh, Im gonna be okay
Ah, once these visions go awayIm gonna drink this whole town dry
No sad tears gonna wet my eye
Maggie, Mary and Mona, Bill
Are gonna do me right, did I say Bill?
Im gonna drink this whole town dryAh, Im gonna be just fine
Ah, once these visions get off my mind, ohAh, Im gonna be okay
Ah, once these visions, say it again
Ah, Im gonna be just fine
Ah, once these visions get off my mindIm gonna jump from bed to bed
(Im gonna fuck her right outta my head)
No sad tears gonna wet my eye
(Im gonna fuck her right outta my head)Im gonna lay down a new set of memories
(Im gonna fuck her right outta my head)
Im gonna drink this whole town dry
(Im gonna fuck her right outta my head)Dry
(Im gonna fuck her right outta my head)
Dry
(Im gonna fuck her right outta my head)
Dry
(Im gonna fuck her right outta my head)
Dry
