

At the Class Room

Nicotine

TEACHER:

Good morning boys and girl. I am your substitute teacher. My name is Ms. Seagal. The topic for today is: What you like to be when you grow up? You, over there in the jeans shirt, what you want to be when you grow up? STUDENT A:

Why you gonna start with ya, brother? I wanna be a baseball player, brother. TEACHER:

Alright, that's a pretty good profession. You, over there in the black shirt, what you want to be when you grow up? STUDENT B:

I like to be a lawyer. TEACHER:

All right, that's a pretty good profession too. Hey you, in the back, an asian boy. What's your name? HOWIE:

My name is Howie. TEACHER:

Hi Howie! What you want to be when you grow up? HOWIE:

I wanna be a motherfuckin' punk rock, to get the liberty.
