

# Brave

**Josh Groban**

Wake up, wake up the sun can not wait for long  
Reach out, reach out before it fades away  
You will find the warmth when you surrender  
Smile into the fear and let it play  
You wanna run away, run away  
And you say that it can't be so  
You wanna look away, look away  
But you stay cause it's oh so close  
When you stand up and hold down your pain  
Do the things that I don't understand  
My reason to be brave!

Hold on, hold on so strong  
Time just carries on  
All that you thought is wrong is pure again  
You can't hide forever from the thunder  
Look into the storm and feel the rain  
You wanna run away, run away  
And you say that it can't be so  
You wanna look away, look away  
But you fear cause it's oh so close  
When you stand up and hold down your pain  
Do the things what I don't understand  
The reason to be brave!  
Oh, oh, oh?
