

# Don't Talk to Me

## Quincy Punx

Well I'm just sick and tired of talkin' on the phone  
Sittin' in your room conversin' all alone  
Talk Talk Talk Talk Talk Talkin' about everybody else  
But what you'd really rather do is talk about yourself  
So...Don't talk to me  
Don't talk [x3]Don't talk to me [x2]Not even a word  
Not even a whisper  
Just button your lipsDon't talk to me  
Don't talk [x3]Ya don't talk to meWhich you had a case of budding laryngitis  
Sittin' in your room with no one there beside us  
Sick and tired of listenin' to  
Your neurotic shit  
So why don't you just shut your mouth 'stead of actin' like a twitDon't talk to me  
Don't talk [x3]Ya don't talk to meChi-chi-chi-chi-chi-chi-chi-chi-chatter, chatter, chatter [x3]You talk to me  
enough but I don't know whats a matterWith a yak-yak-yak-yak-yak-yak-yak-yak-yak-yak-yak-yakI'd like  
to tie your hands and feet and put you in a sackDon't talk to me  
Don't talk [x3]Ya don't talk to meDon't talk  
Don't talk to meYa don't talk to meDon't talk  
Don't talk to me  
Don't talkYa don't talk to me
