

Last Time I Let You Down

Advisory - the following lyrics contain explicit language:

Well, my mama tried to keep me out of trouble
But the devil wouldnt have it that way
Oh boy, pray and stay humble
Were the last words that I heard her say And tonight Ill be drivin, way past cryin
Its last time that I let you down
If I hadnt broken her heart it wouldnt be so hard
To lay her into the cold, cold ground
Its the last time that I let you down Well, my woman, shes all packed and shes leavin
Said I crossed that line one too many times
Talk about drinkin and ridin, hell raisin
Lord, no, I gave her the ride And tonight Ill be drivin, way past cryin
Its last time that I let you down
If I hadnt broken her heart it wouldnt be so hard
To watch her, not turn her down
Its the last time that I let her down And I pray that I stay out of trouble Cause tonight Ill be drivin, way past cryin
Its last time that I let you down
Ill be goin' under the den until this road ends
Maybe then Ill turn it around
Its the last time that I let you down Yeah, its the last time that I let you down
Oh, its the last time that I let you down
