

Hey Daddy

Korn

Let me see
(Let me see)
All my life has been
(Taken)
TakenThis demon
(Haunts me)
Haunts me
They're waiting
(Help me)
Help meYou fuck me up, I'm gagged and bound
You pick me up, when I am down
I can not live without them
I do not live without themHey, Daddy
(Daddy)
They are taking me
(Away)
Putting things in me
(What soul)
My soul
They're eating
Please help meYou fuck me up, I'm gagged and bound
You pick me up, when I am down
I can not live without them
I do not live without themThey tell me this thing inside of me
Wants to get out
All it does is scream and shout
I'm trying not to let them outThey tell me to hurt myself
They tell me to hurt myself
They tell me to hurt myself
But I'm not gonna listenYou fuck me up, I'm gagged and bound
You pick me up, when I am down
I cannot live without them
I do not live without themYou fuck me up, I'm gagged and bound
You pick me up, when I am down
I can not live without them
I do not live without themHey Daddy, hey Daddy
(Waiting)
Hey, Daddy
(Waiting)

Daddy
