Stand Out

Disney Songs

Open up your eyes, take a look at me
Get the picture fixed in your memory
I've been driven by the rhythm like the beat of a heart
And I won't stop until I start to stand out
Some people settle for the typical thing
Living all their lives, waiting in the wings
It ain't a question of if, just a matter of time
Before I move to the front of the line
Once you're watching every move that I make
You gotta believe that I got what it takes
To stand out above the crowd
Even if I gotta shout out loud
'Til mine is the only face you'll see
Gonna stand out 'til you notice me
If the squeaky wheel's always getting the grease
I'm totally devoted to disturbing the peace
And I'll do it all again when I get done
Until I become your number one
No method to the madness and no means of escape
Gonna break every rule or bend them all outta shape
It ain't a question of how, just a matter of when
You get the message that I'm trying to send
I'm under a spell, I'm in over my head
You know I'm going all the way to the end
To stand out above the crowd
Even if I gotta shout out loud
'Til mine is the only face you see
Gonna stand out 'til you notice me
If I could make you stop and take a look at me
Instead of just walking on
There's nothing that I wouldn't do
If it was getting you to notice, I'm alive
All I need is half a chance
A second thought, a second glance to prove
I got whatever it takes
It's a piece of cake
To stand out above the crowd
Even if I gotta shout out loud
'Til mine is the only face you'll see

Gonna stand out
Stand out, stand out
'Til mine is the only face you'll see
Gonna stand out
