

# In a Different Place (live)

## Ride

Blowing bubbles, lying down  
Waiting for the rain to fall  
Laughing at the people  
Wonder why they always rush, never slow down  
And we're smiling, when we're sleeping  
And we're smiling, when we're waking  
Even if the rain falls down, and all the sky turns cold  
I will feel fine  
Thunder roared and lightning flashed  
But you and I are in a different time  
Floating in and out of time  
In and out of space  
No-one can touch us  
We're in a different space
