Shyer

London Grammar

I'm feeling shyer and the world gets darker
Hold yourself a little higher
Bridge that gap just further
And all your being
I'd ask you to give it up
Oh ancient feeling love
So beautifully dressed upFeeling shyer
I'm feeling shyer
I'm feeling shyerMaybe you should call her
Deep in the night for her
And all your being I'd ask you to give it up
I'd ask you to give it upHei, give it up
we would give it up
