Beautiful World

Noah Young

This might be stupid and it might be something I regret
But I feel like Romeo and you are Juliet
On top of the world tonight
And you're so beautiful oh you're such a catch
You've got the voice of an angel with a face to match
You got me all alone tonightAnd I don't mind when you whisper in my ear
Because your laughter is all I want to hearChorus:
And when I've fallen down you pick me up
You make me feel like forever is never long enough
Because every sunset smiles on a perfect girl
You're the only reason I still say
What a beautiful worldSo wait a minute take your frown and turn it upside down
You've got the greatest smile around
You don't know what you do
And I lose my mind every single time you walk into the room
I swear it's only youAnd I don't mind when you sit beside me, dear
Because I love it whenever you are nearChorus:
And when I've fallen down you pick me up
You make me feel like forever is never long enough
Because every sunset smiles on a perfect girl
You're the only reason I still say
What a beautiful worldGirl you got me up off the ground
Shake me like a whirlwind and break me down
This storm is one that I'd like to chase because when I look at your face
Nothing is gonna keep me away... From this beautiful girl
Chorus:
And when I've fallen down you pick me up
You make me feel like forever is never long enough
Because every sunset smiles on a perfect girl
You're the only reason I still say
What a beautiful worldWhat a beautiful world
What a beautiful world
Such a beautiful world
What a beautiful world
