Going Home

Mary Fahl

They say there's a place where dreams have all gone
They never said where but I think I know
It's miles through the night just over the dawn
On the road that will take me homeI know in my bones, I've been here before
The ground feels the same though the land's been torn
I've a long way to go the stars tell me so
On this road that will take me homeLove waits for me 'round the bend, leads me endlessly on
Surely sorrows shall find their end and all our troubles will be gone
And I'll know what I've lost and all that I've won
When the road finally takes me homeAnd when I pass by, don't lead me astray
Don't try to stop me, don't stand in my way
I'm bound for the hills where cool waters flow
On this road that will take me homeLove waits for me 'round the bend, leads me endlessly on
Surely sorrows shall find their end and all our troubles will be gone
And we'll know what we've lost and all that we've won
When this road finally takes me homeI'm going home
I'm going home
I'm going home
