Ignorance (Acoustic Version) [Bonus Track]

Paramore

If I'm a bad person, you don't like me
Well, I guess I'll make my own way
It's a circle, a mean cycle
I can't excite you anymoreWhere's your gavel? Your jury?
What's my offense this time?
You're not a judge but if you're gonna judge me
Well, sentence me to another lifeDon't wanna hear your sad songs
I don't wanna feel your pain
When you swear it's all my fault
'Cause you know we're not the same
No, we're not the same, oh, we're not the sameYeah, The friends who stuck together
We wrote our names in blood
But I guess you can't accept that that the change is good
It's good, it's goodWell, you treat me just like another stranger
It's nice to meet you, sir
I guess I'll go, I best be on my way outYou treat me just like another stranger
It's nice to meet you, sir
I guess I'll go, I best be on my way outIgnorance is your new best friend
Ignorance is your new best friendThis is the best thing that could've happened
Any longer, and I wouldn't have made it
It's not a war, no, it's not a rapture
I'm just a person, but you can't take itThe same tricks that, that once fooled me
They won't get you anywhere
I'm not the same kid from your memory
Well, now I can fend for myselfDon't wanna hear your sad songs
I don't wanna feel your pain
When you swear it's all my fault
'Cause you know we're not the same
No, we're not the same, oh, we're not the sameYeah, we used to stick together
We wrote our names in blood
But I guess you can't accept that the change is good
It's good, it's goodWell, you treat me just like another stranger
It's nice to meet you, sir
I guess I'll go, I best be on my way outYou treat me just like another stranger
It's nice to meet you, sir
I guess I'll go, I best be on my way outIgnorance is your new best friend
Ignorance is your new best friend
Ignorance is your new best friend
Ignorance is your new best friendWell, you treat me just like another stranger

It's nice to meet you, sir
I guess I'll go, I best be on my way outYou treat me just like another stranger
It's nice to meet you, sir
I guess I'll go, I best be on my way out
