Sing

Pentatonix

It doesn't matter if your days are long (sing)
It doesn't matter if your night's gone wrong (sing)
Just grab your hands and stomp your feet and sing it (whoa, sing)
It doesn't matter if he let you go (sing)
It doesn't matter if she hurt you so (sing)
Get up and dance, just feel that beat and sing it (whoa, sing)I don't know what you've been told
But music make you lose controlSing, sing, sing, sing
Sing it out as hard as you can
Make 'em hear from L.A. to japan
Don't let 'em bring you down
This is how we do it now
Go and roll them windows down and
Sing, sing, sing, sing
Sing it with your hands in the sky
Light it up like it's the 4th of July
Don't let 'em bring you down
You know what I'm talking 'bout
A little bit louder nowIt doesn't matter if you're way off track (sing)
Feel like you're headed for a heart attack (sing)
Just raise your voice and bring the noise and sing it (whoa, sing)
Sing for your mama, sing for your daughter (sing)
Sing for you sisters, misters, best friends, brother (sing)'Cause I don't know what you've been told
But music make you lose control (sing)Sing, sing, sing, sing
Sing it out as hard as you can
Make 'em hear from L.A. to japan
Don't let 'em bring you down
This is how we do it now
Go and roll them windows down and
Sing, sing, sing, sing
Sing it with your hands in the sky
Light it up like it's the 4th of July
Don't let 'em bring you down
You know what I'm talking 'bout
A little bit louder nowSing it for your mama, ay
Sing it for your papa, ay
Sing it for the whole world
For your boy or girl, for your #1 fan
Ko on the beat, okay
I'm the human ???

Go ahead, ???
'Cause the beat won't stop
No way, way, way, waySing, sing, sing, sing
Sing it out as hard as you can
Make 'em hear from L.A. to japan
Don't let 'em bring you down
This is how we do it now
Go and roll them windows down and
Sing, sing, sing, sing
Sing it with your hands in the sky
Light it up like it's the 4th of July
Don't let 'em bring you down
You know what I'm talking 'bout
A little bit louder now
You know what I'm talking 'bout
Sing a little bit louder nowLet me hear you say
