

Revolusion

Elliphant

Ma! Surrounding tain ma brain
Am just a city kid,
Ho fall,
Alot
Just one distraction,
Will sho,
The pain!
N'this a sugar rush,
In cold game
Am here,
To do,
Revolusion. This is a test ,
Not lookin for a home,
But fore a place to die
Do u , dear to be,
Sceard in this g
Then u one of me
Tonight Get one foot in
Keep one foot out,
It's all about
Os rumble n shout,
Now! Now! Now!
Revolusion
Now! Now! Now!
Revolusion
Revolusion
Revolusion
Revolusion
Si si si Revolusion Revolusion
Revolusion
Revolusion
Revolusion
Revolusion
Revolusion I got,
All to give.
What you loose
In this ma body
Is a proof of your fire
Look at me na am a teen wolf,

Playin in the green,
We alone among friends and
Lick are broken dreams Get one foot in!
Keep one foot out,
It's all about
Us rumble n shout,
Now! Now! Now
Revolusion
Now! Now! Now
Revolusion
