

Ways To Go

Grouplove

I didn't ask for this
You give me heart attack
I didn't want to care
And then I saw you there
Been working like a dog
I turned all my dreams off
I didn't know my name
I didn't know my name
I got a little bit longer, I got a ways to go
I got a little bit longer, I got a ways to go
Oh I got a little bit longer, I got a ways to go-oh-oh
Whoa oh oh, I got a ways to go
Even when I can't see my rearview
Even if I call just to hear you
Even when I sleep all day
Even when I sleep all day
Even if wasn't like I'm supposed to
Living in the back of the room just like we do
Even when I dream all day
Don't wanna sleep tonight
You've got me feeling right
I didn't know my name
I didn't know my name

I got a little bit longer, I got a ways to go
I got a little bit longer, I got a ways to go
Oh I got a little bit longer, I got a ways to go-oh-oh
Whoa oh oh, I got a ways to go
Even when I can't see my rearview
Even if I call just to hear you
Even when I sleep all day
Even when I sleep all day
Even if it wasn't like I'm supposed to
Living in the back of the room just like we do
Even when I dream all day
Even when I dream all day
Oh I got a little bit longer
I got a ways to go-oh-oh
Whoa oh oh

Even if I smoke in the back room
Even if I go right to meet you
Even when I sleep all day
Even when I sleep all day
Even if it wasn't like I'm supposed to
Waiting for the day just to end so I see you
Even when I dream all day
Even when I dream all day
