

# Anodized

## Fear Factory

Anodized!  
A breathing interface  
Designed in phase to assimilate  
A transfer of the mind  
To maximize a servile life  
Lacerate, eviscerate  
My body to redefine  
My designMy life is anodized  
Protect my mind  
Modified, anodized  
I'll never die  
Anodized!A transhuman state  
Will liberate man's evolution  
A singularity  
Maintains the peace  
Machined solution  
Lacerate, eviscerate  
My body to redefine  
My designMy life is anodized  
Protect my mind  
Optimized, anodized  
I'll never die  
Never die  
Never die  
ModifiedDefying death  
Generate existence  
I BREAK FREEMy life is anodized  
Protect my mind  
Optimized, anodized  
I'll never die  
My life is anodized  
Protect my mind  
Purified, anodized  
I'll never die  
Never die  
Never die  
Modified  
Anodized!  
Anodized!

My life is anodized!
