

Good Enough

Dara Maclean

I got to keep my head up one more day and get by
Look perfect on the outside
But I'm dying on the inside
I could work so hard, slave the day away
But end up broke tryin' to find my place
In my attempt to prove I'm worthy
But it's already done So I won't spend my whole life
Paying my own price
Tryin' to be good enough
I'm gonna just let You love me
Finally see me the way You see
I'm believing Your grace is enough for me
Thank God I don't have to hold on with my own strength
I'm not the one who saved me
So I'm trusting You completely
'Cause the best in me is only You
I run out, but You come through
Now I'm never looking back, You don't see the past
All You see is I'm forgiven If You said it, I believe it
If You did it, it's completed
Ooh
I was hurting, You were healer
I was broken, You're redeemer
So I won't spend my whole life
Paying my own price
Tryin' to be good enough Your grace is enough, it's enough for me
